Our gardening team have been planning and constructing raised planters, the bulbs have now been

planted and we're looking forward to seeing the fruits of their labour when Spring comes!

SPACE does Liverpool!

On Monday 18th - Friday 22nd November, SPACE embarked on a holiday to visit the city of Liverpool. The journey was a long one but definitely worth it, we enjoyed a few stops along the way and celebrated our arrival to Liverpool with a nice ice cold drink!

SPACE does Liverpool! - Day 2

Day 2 was jampacked! We started with a Beatles Tour followed by The Docks and enjoyed trips to both the Tate Liverpool and Merseyside Maritime Museum. After all that we savoured a well deserved Christmas Dinner.

SPACE does Liverpool! - Day 3

Wednesday saw us take a trip to Chester; we enjoyed the sites, some live music and had a little drink to round off the day.

SPACE does Liverpool! - Day 4

Thursday was our eagerly anticipated tour of Anfield Stadium and Goodison Park...
